Treat this game no different than a gunfight.

When you step up to the table, shoot like you have never shot before. Look for your opponents' weakness; leave nothing for them to shot. Keep your thought until you have won the game, stay focused, stay calm. Never secondguess yourself, ever. Walk around the table and pull your thoughts back; there are no shots too hard for you to make. Just shoot them. If your shots are not measuring up, get practicing golf on a six-by-twelve table. This stabilizes your stroke, sharpens your view to the ball, and teaches proper weight per roll. Also best table to practice masseacute; shots. Remember in this game, winning is everything. I believe this book has taken me to the top-dog position in my league because I had to write it to get my own game back to the level of play I am at now. Just reviewing what I know has helped enormously. Don't take your game for granted, practice, challenge.

International matches and WDF Cup Tournaments

Nigel Boeg 2020-01-23 This book has been compiled to provide details of tournament winners and runners up on International matches and WDF Cup tournaments. Every effort has been used to identify winners and runners up of tournaments and in some cases there will be results "missing". If these can be identified they will be included in another edition of this book in the future. There maybe errors with names being misspelt and that ladies surnames may have changed. An enormous amount of time and effort to correctly record the results of the tournaments. This is the tenth ebook to be published detailing tournament results. I hope you enjoy the book.
