2002-12-17 The River and the Moon is a tale of two people from two very different walks of life. Claudia Darren is a popular movie star, and Alvin Masters is a rural postman from Whitetail, Montana. Although worlds apart, they share a sense of inner turmoil and profound loneliness. Through an odd set of circumstances, they exchange letters and become fans of each other's lifestyles. He admires her stardom and wealth, and she admires his fierce independence. Claudia begins work on a big budget picture for Crescent Studios, a financially ailing film company. Its unscrupulous head is a well-placed, thug named Ernie Katz. His role is to siphon all the money he can from Crescent and then sell it. To do this, he needs a big screen success to entice investors to purchase Crescent and assure a large profit for a New York syndicate which hired him. To provide a solid guarantee on the movie, he hires Claudia as the lead. Then as a further assurance, he engages a hit man named Oliver Templeton to become her boyfriend. Katz and Templeton hatch a plan to kill Claudia when the filming ends. The murder will appear as suicide, and her grieving public will flock to the box office with tears in their eyes to see her for the last time. Fortunately, Claudia becomes aware of the plot on the final day of filming and is able to escape Oliver Templeton with only moments to spare. For months, she crisscrosses the country on the run, while Templeton stays only steps behind her. After several near-

fatal encounters, she ends up in Whitetail, Montana, where she at last meets Alvin Masters. Together they stage a last ditch attempt to save her life. They also discover a spiritual and romantic closeness which baffles even themselves.

Pool Wars Jay Helfert 2012-06-08 "Jay's recollection of pool stories exceeds any that I've ever heard. His exactness in recalling events as they actually happened is amazing. There are few

as qualified to write about pool action as Jay. He has always been right on the money with everything he has accomplished and this book isn't any different." -World 9-Ball Champion Billy Incardona "I've known Jay since the 60's. Although he loved to compete, he became more respected as a great game maker and money winner who helped out many a pool player when down on their luck." -World All Around Champion Danny Diliberto "Jay is the 'go to' man in pool. He is a living historian and a source for all pool info. As an accomplished player himself, he evolved into every aspect of the sport. He has given sage advice to up-and-coming players as well as champions. Jay is a valued member of the pool community who gets a nod and a smile from all who know him." -Pat Fleming, ACCU-Stats Video Productions

The Right Set Caryl Phillips 2010-04-28 From stately lawns and gentlemen players to Andre Agassi and Venus Williams: 65 great writings on tennis that chronicle the transformation of the sport. Since its inception, tennis has embraced traditions more patrician than plebeian. But times--and tennis--have changed. The game once reserved for royalty has moved from estate lawns to the concrete courts of the city. Old guard amateurs have given way to prodigies plastered with corporate logos. And while barriers of gender, race, and class have been shattered, the modern plagues of self-promotion, the paparazzi, and challengers of ever-escalating talent loom large. In *The Right Set*, award-winning novelist and editor Caryl Phillips presents a collection of writings on the remarkable evolution of a gentleman's pastime into a sport of jet-set players of athletic and psychological genius. Here are the stories of champions, from the Renshaw twins to "ghetto Cinderella" Venus Williams. Here, too, are volleys between tradition and innovation--debates on everything from etiquette and earnings to André Agassi's rejection of the customary tennis whites. Insightful, informative, wonderfully

entertaining, The Right Set is as colorful and surprising as the game itself. John McPhee on Ashe vs. Graebner David Higdon on Venus Williams James Thurber on Helen Wills Martina Navratilova on Bad Losers Martin Amis on Smashing the Rackets and more

The Casey 2/1 Bridge Bidding System Ken Casey 2020-12-20 This book incorporates the 2/1 Game Force bidding system whenever the opener bids a major suit. Five new conventions have been added to the 2/1 system. This book is also designed to improve your bidding of minor suit openings in 4 steps. The 1st step involves the use of the Casey-Jacoby Transfer and the Casey overcall (a 1NT bid shows 4 hearts). The 2nd step involves adoption of the strong 2 bid, a bid of 20-21p. This allows the opener to use the Casey Reverse to show a hand of 16-17p by bidding at the 2-level and to show a hand of 18-19p by bidding at the 3-level. The Casey Minor Suit Rebid convention allows O to show a 4+ card suit at the 2 or 3-level. The 3rd step involves optimizing your slam bidding with the Casey Trump Queen convention and the Casey-Minorwood Kickback convention. The 4th step involves the use of the Weak-1NT (a 1NT bid shows 4 hearts) and Weak-2NT bids, both designed to hamper the opponents.

International matches and WDF Cup Tournaments Nigel Boeg 2020-01-23 This book has been compiled to provide details of tournament winners and runners up on International matches and

WDF Cup tournaments. Every effort has been used to identify winners and runners up of tournaments and in some cases there will be results "missing". If these can be identified they will be included in another edition of this book in the future. There maybe errors with names being misspelt and that ladies surnames may have changed. An enormous amount of time and effort to correctly record the results of the tournaments. This is the tenth ebook to be published detailing tournament results. I hope you enjoy the book.

Tournament Bridge for Advanced Players Ken Casey 2021-06-20 This book is designed to give a comprehensive and systematic view of the hands an advanced player might expect to encounter in a tournament. Tournament Poker for Advanced Players

David Sklansky 2007 Tournament poker is very different from standard ring game poker. While they might appear the same from a distance, there are many differences in proper strategy that are often unknown to many experienced cash game players. Some people excel at tournament poker. This is not luck. These are players who have an advanced understanding of what the proper strategy adjustments are, and when they come into play. It is no coincidence that the same competitors make it to final tables far more than their fair share. This book explains tournament strategies that only a small number of players have mastered. It assumes you already know how to play poker well, but aren't knowledgeable of tournament-specific concepts and when and where to use them. Some of the ideas discussed include: the effect of going broke, the Gap Concept, how chips change value, adjusting strategy to rising stakes, all-in strategy, final table play, making deals, the "System," focusing on weaker opponents, unusual plays with aces and kings, moving in against the blind, and much more. This newly-expanded version contains over 100 new pages of updated material dedicated almost entirely to today's most popular form of tournament poker: no-limit hold 'em.

LT's School of Pool Lance Tomlinson 2010-05-18 Treat this game no different than a gunfight.

When you step up to the table, shoot like you have never shot before. Look for your opponents' weakness; leave nothing for them to shot. Keep your thought until you have won the game, stay focused, stay calm. Never secondguess yourself, ever. Walk around the table and pull your thoughts back; there are no shots too hard for you to make. Just shoot them. If your shots are not measuring up, get practicing golf on a six-by-twelve table. This stabilizes your stroke, sharpens your view to the ball, and teaches proper weight

per roll. Also best table to practice masseacute; shots. Remember in this game, winning is everything. I believe this book has taken me to the top-dog position in my league because I had to write it to get my own game back to the level of play I am at now. Just reviewing what I know has helped enormously. Don't take your game for granted, practice, challenge.

The College Tennis Recruitment Guide Luke Gamble 2020-07-07 Luke and Anonymous While there are a lot of educational consultants and companies that make a business out of selling education and recruiting advice and services, we are motivated by the fact that we both wish a book like this existed while we were going through the recruitment process. We had very different, but also very difficult recruiting processes. Both of us have had incredible experiences playing college tennis, and we want to make sure that opportunity is available for all who have the ability to play college tennis but need help with the first steps or

with getting started. We thought it was about time that someone came out with a clear guide for how to navigate the system and lower the barriers of entry for players around the world. Luke graduated from Princeton in 2018. He was born in Idaho but grew up and was recruited from San Jose, Costa Rica. For the first half of high school, he attended a "regular" school playing varsity soccer, basketball, and volleyball. In grade 11, Luke decided to specialize in tennis and spent the next two years playing ITF junior tournaments. He competed in the Junior Australian Open and the U.S. Open. During college, Luke was ranked as high as #13 in the NCAA in doubles. Luke is currently pursuing professional tennis. Anonymous joined a top ten academic school in 2017. He has to keep his identity hidden due to NCAA regulations. As a student-athlete, it is forbidden to use your name and the name of the college to promote a product. Anonymous began to play tennis in London at age ten. From ages 10 to 13 he played as much tennis as possible outside of school hours. At 13 he joined a school with an integrated tennis academy that allows students to play as much tennis as possible during a school day. From here his level kept increasing and began to make a natural transition from regional, then nationals, and finally ITF tournaments. By his junior and senior year, Anonymous had won a couple of ITF Junior titles and competed in Junior Wimbledon.

Petrosian vs the Elite Ray Keene 2014-09-24 This book contains 71 deeply annotated chess victories of Tigran Petrosian (World Champion from 1963 to 1969) against the leading players of his day, some of which are in print for the first time. The authors' authoritative but accessible language makes it a good read for the amateur as well as a cast-iron network of interlocking variations to satisfy the professionals. Petrosian was underrated as world champion in his day (many of his achievements were drowned out by the furore surrounding Bobby Fischer) but he is now being critically reappraised – Garry Kasparov paid fulsome tribute to him at a recent London lecture. This insightful book aims to restore him to his rightful position in the pantheon of chess greats.
