Gangland New York Anthony M. DeStefano
2015-07-01 Get a taste of New York's underworld by seeing where mobsters lived, worked, ate, played, and died. From the Bowery Boys and the Five Points Gang through the rise of the Jewish "Kosher Nostra" and the ascendance of the Italian Mafia, mobsters have played a major role in the city's history, lurking just around the corner or inside that nondescript building. Bill "the Butcher" Poole, Paul Kelly, Monk Eastman, "Lucky" Luciano, Carlo Gambino, Meyer Lansky, Mickey Spillane, John Gotti—each held sway over New York neighborhoods that nurtured them and gave them power. As families and factions fought for control, the city became a backdrop for crime scenes, the rackets spreading after World War II to docks, airports, food markets, and garment districts. The streets of Brooklyn, swamps of Staten Island, and vacant lots near LaGuardia Airport hosted assassinations and hasty burials for the unlucky. The bloodlettings, arrests, and trials became front-page fodder for tabloids that thrived on covering Mulberry Street. Chinese, Russian, and Greek mobsters rose to prominence and wrought bloody havoc as well. Each of the book's five sections—one for each borough—traces criminal activities and area exploits from the nineteenth century to now. Everyone knows about Umberto's Clam House in Little Italy, but now you can find Scarpato's restaurant in Coney Island

where Joe Masseria was killed by henchmen of Salvatore Maranzano, who in turn died in a Park Avenue office building at the hands of "Lucky" Luciano a few months later. From the Bronx to Brighton Beach, from New Springville to Ozone Park, here is a comprehensive, on-the-ground guide to mob life in the Rotten Apple.
The Jungle Book: The Strength of the Wolf is the Pack Scott Peterson 2016-03-01 "THIS IS THE LAW OF THE JUNGLE, AS OLD AND AS TRUE AS THE SKY. . . ." Mowgli has lived in the Jungle for as long as he can remember. Raised by a noble wolf pack and mentored by a wise panther called Bagheera, Mowgli enjoys the rich, vibrant world of the animals. And while at times it is clear he doesn't quite fit in, he could never imagine leaving it. But when a vengeful tiger makes a vow to remove the man-cub from the Jungle, Mowgli's world is turned upside down. With help from his new friend Baloo the bear, Mowgli finds himself on a journey to protect his wolf family and himself—a journey that could change things forever. Will the man-cub be able to find his place in the Jungle?

Cheap at Half the Price Jeffrey Archer 2017-05-02 In Cheap at Half the Price, by #1 New York Times bestselling author and master of the short story Jeffrey Archer, the conniving Consuela Rosenheim hunts down her ideal birthday present – and next husband – in London. Will she accomplish her biggest swindle yet, or will she finally get her just desserts? The wily woman is, as Archer opens, “naturally superior to men,” and a pure joy for Archer fans new and old.

The Fugitive Massimo Carlotto 2013-04-16 From the author of Death's Dark Abyss and The Goodbye Kiss comes an extraordinary tale of life on the run. Massimo Carlotto's odyssey began in 1976 when, as a member of a militant leftwing organization that had fallen awry of the ruling powers, he was arrested and falsely accused of murder. Unwilling to play the role of fall guy in a political power struggle, he chose to flee the country rather than wait for a verdict that the whole country knew was a foregone conclusion. He first went into hiding in the French underworld and then made his way to a Mexico embroiled in bloody class conflict. Betrayed by a Mexican lawyer, he returned to Italy in 1985 and spent six years in prison, during which time the “Carlotto

case” became Italy's most famous legal fiasco. Carlotto was finally freed with a presidential pardon in 1993. Subsequently, his case helped bring about significant changes to the Italian criminal code to ensure that similar judicial travesties would never happen again. The Fugitive is the first book that Carlotto wrote as a free man. It tells his story with verve and humor. Virtually a handbook on how to live life on the run, The Fugitive is also a vibrant novel full of vivid underworld characters and breathtaking moments that Carlotto recounts in the cool, lucid prose that has become his trademark.

Construction Safety Rita Yi Man Li 2013-03-01 A close-to-ideal blend of suburb and city, speedy construction of towers of Babylon, the sparkling proportion of glass and steel buildings' facade at night showcase the wisdom of humans. They also witness the footsteps, sweats and tears of architects and engineers. Unfortunately, these signatures of human civilizations are swathed in towering figures of construction accidents.

Fretting about these on sites, different countries adopt different measures on sites. This book firstly sketches the construction accidents on sites, followed by a review on safety measures in some of the developing countries such as Bermuda, Egypt, Kuwait and China; as well as developed countries, for example, the United States, France and Singapore. It also highlights the enormous compensation costs with the courts' experiences in the United Kingdom and Hong Kong.

Convergence Media History Janet Staiger
2009-07-01 *Convergence Media History* explores the ways that digital convergence has radically changed the field of media history. Writing media history is no longer a matter of charting the historical development of an individual medium such as film or television. Instead, now that various media from blockbuster films to everyday computer use intersect regularly via convergence,

scholars must find new ways to write media history across multiple media formats. This collection of eighteen new essays by leading media historians and scholars examines the issues today in writing media history and histories. Each essay addresses a single medium—including film, television, advertising, sound recording, new media, and more—and connects that specific medium's history to larger issues for the field in writing multi-media or convergent histories. Among the volume's topics are new media technologies and their impact on traditional approaches to media history; alternative accounts of film production and exhibition, with a special emphasis on film across multiple media platforms; the changing relationships between audiences, fans, and consumers within media culture; and the globalization of our media culture.
