The Braddock Road Club Richard Haddock 2013-04-30 While working at the Braddock Road Club when he was eighteen, Rick Kelly was introduced to golf and April Stark. He fell in love with them both. Under the wing of Archie Sullivan, the club's venerable pro', Rick's innate golfing skills blossomed, earning a college scholarship and rapid movement onto the burgeoning PGA Tour. His love affair with April became a roller coaster ride as she too grew up and pursued her own career. Although never attaining superstar status, Rick won his share of tournaments and played well enough to retain his Tour card for forty years. April traveled in and out of his life, finally affirming her love for him. But now, as age and a debilitating condition begin to erode his skills, he ponders life without the game that has defined him for so long and the woman he

loves who has mysteriously disappeared from his life. When the Braddock Road Club is chosen to host this year's United States Open, Rick's golfing hopes take a dramatic leap. If he ever had a shot at finally winning golf's most treasured prize, playing the course he knows so well might just be his last hurrah. Rick surprises everyone by making the cut, but his condition has already cost him valuable strokes and threatens to strike again at any moment. As he plays his final rounds, battling the young stallions who now dominate the sport, aching legs, and his emotions, Rick provides golf fans with one of the most thrilling U.S. Open finishes in history. The Braddock Road Club provides an intriguing look inside the lives of those who play golf for a living outside the spotlight of fame. This is the story of one man's quest, the sacrifices he made to follow his dreams, and the retrospection of a life that has come full circle, back to the emotional beginnings of his journey.

Match Play Jerry Travis 2004-01-29 Have a quirky multi-millionaire build a quirky golf course in the hills of western Pennsylvania. Then mix in a variety of normal and not-so-normal folks to play golf on that course, and you have the setting for Match Play, a novel about bitter rivalries in golf and romance. Shallow Creek Country Club is a course with several deliberately odd designs by its owner and architect, a man who made enough money in ball-bearings during World War II to indulge his fantasies about a golf course that includes one large sand green in honor of his father's memory, a pipe through a fairway hillside for those who want to play a little putt-putt golf, a green with a huge maple in the middle, and an underground cavern that was originally built as a bomb shelter but later turned into a cool stopping-off spot in the middle of a round. The cavern sits beneath one high hill overlooking most of the holes on the course and has a long tunnel leading back to the clubhouse. The story takes place in the late spring and summer of 1986 and is told from the point of view of a young English teacher and low-handicap golfer named Tom MacKenzie. He is romantically involved with his co-worker-counselor, Pat Thompson, as well as one of his graduating seniors, Amy Forrest, and he's not sure how he should handle the situation. Both Pat and Amy are good golfers, Pat about a twelve handicap and Amy a single-digit and getting better all the while. To further complicate things, Pat Thompson is also involved with Roger Burdis, a newly wealthy Floridian who has inherited money from an aunt and returned to Porter, Pennsylvania, to live. Roger Burdis is a borderline psychotic with an almost instant hatred for Tom, or Mac as all his friends call him. They encounter each other in several matches on the golf course, in a poker game in the club house, and in a variety of social

situations, all leading up to one final confrontation on the golf course, but not for a golf match a middle-of-the-night match of wits with lives at stake. The plot includes several dashes of humor, a slice or two of sex, several layers of suspense, and enough golf to satisfy any club golfer in the country. And a conclusion as exciting as any Kentucky Derby photo finish.

A Golf Story Charles Price 2007-04 Soon after its original publication in 1986, "A Golf Story" was heralded as one of the classics of golf literature. It is a book that intertwines three immortal subjects--Bobby Jones, Augusta National, and the Masters Tournament--into one compelling narrative. These three stories are inextricably linked; together, they form a fascinating backdrop to an April drama that is unique in the annals of golf and that, like Jones himself, transcends sports. Using firsthand experiences with Augusta National and the Masters Tournament that date back to 1948,

Charles Price spent three years weaving together this historic story and, in an unprecedented move, Augusta National opened its guarded archives for his research, thereby making this book the first authorized history of both the club and the tournament.

Treat this game no different than a gunfight. When you step up to the table, shoot like you have never shot before. Look for your opponents' weakness; leave nothing for them to shot. Keep your thought until you have won the game, stay focused, stay calm. Never secondguess yourself, ever. Walk around the table and pull your thoughts back; there are no shots too hard for you to make. Just shoot them. If your shots are not measuring up, get practicing golf on a six-by-twelve table. This stabilizes your stroke, sharpens your view to the ball, and teaches proper weight per roll. Also best table to practice masseacute; shots. Remember in this game, winning is everything. I believe this book has taken me to the top-dog position in my league because I had to write it to get my own game back to the level of play I am at now. Just reviewing what I know has helped enormously. Don't take your game for granted, practice, challenge.

Every effort has been used to identify winners and runners up of tournaments and in some cases there will be results "missing". If these can be identified they will be included in another edition of this book in the future. There maybe errors with

names being misspelt and that ladies surnames may have changed. An enormous amount of time and effort to correctly record the results of the tournaments. This is the tenth ebook to be published detailing tournament results. I hope you enjoy the book.

Running the Table L. Jon Wertheim 2007 From a popular senior writer for Sports Illustrated comes this high-stakes, boys-on-the-road story about the most unlikely of phenoms—a heavysset, bipolar, and endlessly charming pool hustler named Kid Delicious In most sports the pinnacle is Wheaties-box notoriety. But in the world of pool, notoriety is the last thing a hustler desires. Such is the dilemma that faces one Danny Basavich, an affable, generously proportioned Jewish kid from Jersey, who flounders through high school until he discovers the one thing he excels at—the felt—and hits the road. Running the Table spins the outrageous tale of Kid Delicious and his studly—if less talented—set-up man, Bristol Bob. Never was there a more entertaining or mismatched pair of sidekicks, as together they go underground into the flavorfully seamy world of pool to learn the art of the hustle and experience the highs and lows of life on the road. Their four-year odyssey takes them from Podunk pool halls to slick urban billiard rooms across America, as they manage one night to take down as much as \$30,000, only to lose so much the next night that they lack gas money to get home. With every stop, the action gets hotter, the calls get closer, and Delicious's prowess with a cue stick becomes known more and more widely. Ultimately, Delicious sheds his cover once and for all and becomes professional pool's biggest sensation since Minnesota Fats. In a book sure to appeal to fans of Bringing Down the House and Positively Fifth Street, Wertheim evokes a subculture full of nefarious but loveable characters and illuminates America's fascination with games and gambling. He also paints a lasting portrait of an insanely talented and magnetic hustler, who is literally larger than life.

The Circuit Rowan Ricardo Phillips 2018-11-20

Winner of the 2019 PEN/ESPN Award for Literary Sports Writing “The Circuit is the best sports book I've read in years, maybe ever.” —Rich Cohen, author of The Chicago Cubs and Monsters “As sports writing goes, The Circuit is unusual in the very best way. Rowan Ricardo Phillips writes with such fluidity, and packs the book with bursts of

brilliance. This is a compulsively readable guide to one truly Homeric year of professional tennis.”

—John Green, author of The Fault in Our Stars An energetic, lyrical, genre-defying account of the 2017 tennis season. In The Circuit: A Tennis Odyssey, the award-winning poet—and Paris Review sports columnist—Rowan Ricardo Phillips chronicles 2017 as seen through the unique prism of its pivotal, revelatory, and historic tennis season. The annual tennis schedule is a rarity in professional sports in that it encapsulates the calendar year. And like the year, it's divided into four seasons, each marked by a final tournament: the Grand Slams. Phillips charts the year from winter's Australian Open, where Roger Federer and Rafael Nadal renewed their rivalry in a match for the ages, to fall's U.S. Open. Along the way, Phillips paints a new, vibrant portrait of tennis, one that captures not only the emotions, nerves, and ruthless tactics of the point-by-point game but also the quicksilver movement of victory and defeat on the tour, placing that sense of upheaval within a broader cultural and social context.

Tennis has long been thought of as an escapist spectacle: a bucolic, separate bauble of life. The Circuit will convince you that you don't leave the world behind as you watch tennis—you bring it with you.
