The Romanovs Simon Sebag Montefiore 2016
"The acclaimed author of *Young Stalin* and *Jerusalem* gives readers an accessible, lively account--based in part on new archival material--of the extraordinary men and women who ruled Russia for three centuries."--NoveList.

[The Tournament](#) Herbert B. Livesey 1980
Games In The St. Petersburg Tournament 189596
James Mason 2004-04-01 First published in 1896. Emanuel Lasker won the world championship by defeating the ageing Steinitz in 1894. However there remained many doubters who believed that the youthful Lasker was still inferior to rivals such as Pillsbury and Tchigorin. St Petersburg 1896 was a baptism of fire which proved beyond a shadow of doubt that the new champion had come to stay. In one of the fiercest and most gruelling tests of strength at elite level the world champion emerged victorious against his most dangerous rivals. In the process he played a masterpiece of sacrificial attack as black against Pillsbury which lives on as one of the most brilliant and impenetrable games ever played - a game about

which debate still rages as can be seen from Kasparov's essay on it in his classic new book series - "My great predecessors."

The Language of Sport Tim Considine 1983

[The Majors of Golf](#) Morgan G. Brenner 2009-09-12

This reference work is a complete source for the results of each of golf's major tournaments (the Master's Tournament, U.S. Open, British Open Championship, and PGA Championship). Information includes the final position, round-by-round score, and complete major tournament record of every golfer, including those that didn't finish, to have participated in a major. Appendices list all players with possible name variations or for whom there is conflicting data.

[April Brooker](#) John Dutch 2001-08 The Author uses all his experience as a former competitive tennis player plus his knowledge of psychology which has been sharpened by 25 years of research and lecturing on topics such as tension and stress to open April's mind and heart to the reader as she fights to win the most important tournament in her life. Careful analysis, gut instinct, cunning, tricks and traps; nothing is spared by the players in their efforts to win, and all of it is laid bare for the reader to experience. Other titles in this series are: *April Brooker April Brooker and Emily McLean April Brooker and the Family* Other books by John Dutch include *WHEN I NEED A HAND*

Introduction to Probability Charles Miller Grinstead 2012-10-30 This text is designed for an introductory probability course at the university level for sophomores, juniors, and seniors in mathematics, physical and social sciences, engineering, and computer science. It presents a thorough treatment of ideas and techniques necessary for a firm understanding of the subject.
USA Darts Nigel Boeg 2021-12-20 This book has been compiled to provide details of tournament winners and runners up of USA soft tip dart tournaments. Every effort has been used to identify and correctly record winners and runners up of tournaments. In some cases there will be results "missing". If these can be identified they will be included in a future edition. There may be errors with names being misspelt and ladies surnames may have changed. Where possible, hosting organisation and the year that the tournament was first held will be listed. Other facts about the tournament will be listed if available. This book provides the reader and dart enthusiast information on other published books and magazines, links to web sites of dart manufacturers, Professional Bodies and Organisations, and dart stores. This is not a comprehensive list but begins the work of collating details into one place. Instead of being scattered around the World Wide Web across many sites and publications. I hope you enjoy the book.
Tennis Grand Slam Adam Hellebuyck 2019-08-01 Using the new C3 Framework for Social Studies Standards, Tennis Grand Slam in the Global Citizens: Sports series explores the topic through the lenses of History, Geography, Civics, and

Economics. As they read, students will develop questions about the text, and use evidence from a variety of sources in order to form conclusions. Data-focused backmatter is included, as well as a table of contents, author biography, sidebars, bibliography, glossary, and index.

Develop and Conduct a Tournament Program 1985

The Book of the Tournament Brian R. Price 1991

Duel in the Sun Michael Corcoran 2005-01-01 On its 25th anniversary comes a riveting book that sweeps readers back to what has been called the most exciting and important moment in modern golf history: the 1977 British Open, where a young talent named Tom Watson stared down and defeated the legendary Jack Nicklaus.

[Winning the World Open](#) Joel Benjamin

2022-03-15 In 1973 legendary organizer Bill Goichberg created the model for what would become an iconic American chess tournament. The deal at the World Open was plain and simple: high entry fees, big prizes, and no frills. From that moment onwards grandmasters and amateurs have been flocking to the World Open in an annual pilgrimage. Joel Benjamin and Harold Scott have delved into the tournament's history, examined hundreds of games and conducted interviews with players that won the tournament on multiple occasions. The question that intrigued them was: why have some players been so consistent in their performances and always battled for the top prizes? Why did they excel among so many other strong grandmasters? They found that many different paths were taken on the road to victory, but that the Heroes definitely had one common factor: their fighting spirit! Benjamin and Scott present the history of the World Open in an entertaining tale of successes and scandals. The fighting spirit is shown in a fantastic collection of the very best and most crucial games that were played over the years. This book is as entertaining as it is instructive.

All In Jonathan Grotenstein 2006-09-19 All In is the story of the greatest tournament in the world—the World Series of Poker. It began in

1970 as a mere gathering of Texas road gamblers who rendezvoused at Binion's Horseshoe in downtown Las Vegas each spring. Today it has become a cultural phenomenon, attracting exhaustive national television coverage, legions of fans, and thousands of players, from legendary professionals to amateurs with little experience outside of their home games. And with good reason. The prize money for the 2005 tournament was more than the purses of the Masters, the Kentucky Derby, and Wimbledon combined. Professional poker players themselves, authors Jonathan Grotenstein and Storms Reback combine interviews, firsthand accounts, and extensive archival research into a comprehensive and highly entertaining look at this incredibly unique experience, recounting its history through the breathtaking and sometimes brutal hands played at the Horseshoe's tables. They introduce colorful and seemingly fearless characters who, over the tournament's thirty-five-year history, have been lured by huge paydays—and the chance to play against the best in the world, including the legends: · Veteran road gamblers like Doyle Brunson and Amarillo Slim, whose success at the tables helped push poker into the national spotlight · The troubled poker savant Stuey "The Kid" Ungar, who would eclipse his unlikely debut at the World Series with an even more improbable comeback · And many others like "Poker Brat" Phil Hellmuth, who proved that you didn't need to be old or from Texas to master the game, and Chris MoneyMaker, the man with the impossible name who parlayed \$40 into \$2.5 million All In is a no-limit look at the phenomenal transformation of poker from a vice hidden in shady back rooms into the hottest game on the planet. Where some of the World Series's simple charms have been lost, they have been replaced by a complicated human drama, huge in scope, where luck and skill forge an exciting and unpredictable intersection. Simply put, there is nothing else like it in the world. "If my old pal Benny Binion were still with us, he'd wet his britches seeing that his little publicity stunt in 1970 between a few Texans became a tournament with over \$25 million in prize money. If you've ever played a hand of Texas Hold'em, you won't want to miss this book." —Amarillo Slim

Preston, 1972 World Series of Poker champion and author of *Amarillo Slim in a World Full of Fat People* "Reading this book is like having Johnny Moss, Doyle Brunson, Amarillo Slim, and every single one of the World Series of Poker champions over to the house for dinner, a beer, tall tales, and a fine game of No Limit Texas Hold'em." — Phil Gordon, coauthor of *Poker: The Real Deal* and cohost of *Celebrity Poker Showdown*
The Cup They Couldn't Lose Shane Ryan
 2022-05-10 The definitive story of the Ryder Cup—the event that pits the best golfers from America against the best from Europe—exploring the modern history of the tournament that led to the showdown at Whistling Straits in 2021. The task facing Steve Stricker at the 2021 Ryder Cup was enormous. It was his job, as the American captain, to stare down almost 40 years of Ryder Cup history, break a pattern of home losses that had persisted almost as long, and reverse the tide of European dominance in one of golf's most tense and emotional events. This was the epitome of a must-win, but it was also something more—in the entire 93-year history of the event, no American side had ever faced this kind of pressure. Starting on the morning of September 24, those 12 players competed not just for a Cup, or for pride, but to save the reputation of the U.S. team itself. The great mystery of the Ryder Cup is that America loses despite having superior individual talent. The European renaissance began in the 1980s, led by the brilliant Tony Jacklin and Seve Ballesteros, and since then, the U.S. has suffered a slew of embarrassing defeats abroad and at home. The signs in 2021 weren't good: Tiger Woods was out after his horrific car crash, Patrick Reed ("Captain America," to his supporters) was hospitalized with double pneumonia weeks before the event, and America had to rely on its rising stars—including Bryson DeChambeau and Brooks Koepka, who spent most of the year immersed in an escalating feud—to prove their mettle. Meanwhile, the European team had a few major stars of its own, like Jon Rahm, the world no. 1 and the first Spanish player ever to win the U.S. Open, and Rory McIlroy, the four-time major winner. Throw in the complications of a global pandemic, and the stage was set for one of the strangest Ryder Cups

ever. Following the drama in Wisconsin while deconstructing the rich history of the tournament, *The Cup They Couldn't Lose* tells the story of how the U.S. defeated Europe in record fashion, restored their status as golf's global superpower, and transformed their entire way of thinking in order to truly understand the nature of the Ryder Cup. ****The Sports Librarian's Best of 2022 - Sports Books****

The History of the Tournament Francis Henry Cripps-Day 1982

The Story of the Davis Cup (the International Lawn Tennis Championship) Arthur Wallis Myers 1913

A Terrible Splendor Marshall Jon Fisher 2010-04-20 Before Federer versus Nadal, before Borg versus McEnroe, the greatest tennis match ever played pitted the dominant Don Budge against the seductively handsome Baron Gottfried von Cramm. This deciding 1937 Davis Cup match, played on the hallowed grounds of Wimbledon, was a battle of titans: the world's number one tennis player against the number two; America against Germany; democracy against fascism. For five superhuman sets, the duo's brilliant shotmaking kept the Centre Court crowd—and the world—spellbound. But the match's significance extended well beyond the immaculate grass courts of Wimbledon. Against the backdrop of the Great Depression and the brink of World War II, one man played for the pride of his country while the other played for his life. Budge, the humble hard-working American who would soon become the first man to win all four Grand Slam titles in the same year, vied to keep the Davis Cup out of the hands of the Nazi regime. On the other side of the net, the immensely popular and elegant von Cramm fought Budge point for point knowing that a loss might precipitate his descent into the living hell being constructed behind barbed wire back home. Born into an aristocratic family, von Cramm was admired for his devastating good looks as well as his unparalleled sportsmanship. But he harbored a dark secret, one that put him under increasing Gestapo surveillance. And his situation was made even more perilous by his refusal to join the Nazi Party or defend Hitler. Desperately relying on his athletic achievements and the

global spotlight to keep him out of the Gestapo's clutches, his strategy was to keep traveling and keep winning. A Davis Cup victory would make him the toast of Germany. A loss might be catastrophic. Watching the mesmerizingly intense match from the stands was von Cramm's mentor and all-time tennis superstar Bill Tilden—a consummate showman whose double life would run in ironic counterpoint to that of his German pupil. Set at a time when sports and politics were inextricably linked, *A Terrible Splendor* gives readers a courtside seat on that fateful day, moving gracefully between the tennis match for the ages and the dramatic events leading Germany, Britain, and America into global war. A book like no other in its weaving of social significance and athletic spectacle, this soul-stirring account is ultimately a tribute to the strength of the human spirit.

The Magnificent Masters Gil Capps 2015-03-10 In this riveting account of the 1975 Masters Tournament, acclaimed golf television veteran Gil Capps of NBC Sports and Golf Channel recaptures the thrilling excitement when three iconic heavyweights—Jack Nicklaus, Johnny Miller, and Tom Weiskopf—battled back and forth, riveting the sports world and dramatically culminating in one of the greatest finishes in golf history.

Masters Brian Howell 2013-01-01 Details the history, great players, and famous moments of the Masters Golf Tournament.

Procedures for Structuring and Scheduling Sports Tournaments Francis M. Rokosz 1993

A Selection of Games From the International Tournament 2017-11-11 Excerpt from *A Selection of Games From the International Tournament*: Played at New York, U. S. A., 25th March to 27th May 1889 Twenty competitors entered the contest, and all of them fought through the various stages until the end, nothing, save a minor grievance with some members of the Committee, occurring to mar the success of the meeting, which proved to be the most protracted struggle known in the annals of Chess Tournaments. Williams 1997 Brought to you by the United States Tennis Association, The U.S. Open: Game, Set, Unmatched presents the past, the present and even the future of the Open in all its gaudy splendor, with evocative photography of the legends of the game and the tournament's most memorable moments along with insightful prose from Roger M. Williams.

The Tournament Ronald Hillary 2021-04-30 The Tournament is the story of how a young and extremely gifted golfer qualifies for and plays in the Masters, which is one of the four major professional golf tournaments held each year. The Masters is played in early April at the Augusta National Golf Club, located in Augusta, Georgia. Even with his exceptional talent, he knows that he is faced with the most difficult task of trying to play well on what many golfers consider to be the professional tour's most challenging golf course. What he discovers upon arriving at the course and then putting that discovery into play rewards him in a way that he never dreamed would be possible.

Tournament Brackets Thor Wisteria 2018-01-30 This workbook features pages with brackets for a

Not a Penny More, Not a Penny Less Jeffrey Archer 2004-05-16 The thrilling novel that launched #1 New York Times bestseller Jeffrey Archer's career, *Not a Penny More, Not a Penny Less*. THE SWINDLE IS INGENIOUS The conned: an Oxford don, a revered society physician, a chic French art dealer, and a charming English lord. They have one thing in common. Overnight, each novice investor lost his life's fortune to one man. The con: Harvey Metcalfe. A brilliant, self-made guru of deceit. A very dangerous individual. And now, a hunted man. SO IS THE REVENGE With nothing left to lose, four strangers are about to come together—each expert in their own field. Their plan: find Harvey, shadow him, trap him, and penny-for-penny, destroy him. From the luxurious casinos of Monte Carlo to the high-stakes windows at Ascot to the bustling streets of Wall Street to fashionable London galleries, their own ingenious game has begun. It's called revenge—and they were taught by a master.
