Match Play Jerry Travis 2004-01-29 Have a quirky multi-millionaire build a quirky golf course in the hills of western Pennsylvania. Then mix in a variety of normal and not-so-normal folks to play golf on that course, and you have the setting for Match Play, a novel about bitter rivalries in golf and romance. Shallow Creek Country Club is a course with several deliberately odd designs by its owner and architect, a man who made enough money in ball-bearings during World War II to indulge his fantasies about a golf course that includes one large sand green in honor of his father's memory, a pipe through a fairway hillside for those who want to play a little putt-putt golf, a green with a huge maple in the middle, and an underground cavern that was originally built as a bomb shelter but later turned into a cool stopping-

off spot in the middle of a round. The cavern sits beneath one high hill overlooking most of the holes on the course and has a long tunnel leading back to the clubhouse. The story takes place in the late spring and summer of 1986 and is told from the point of view of a young English teacher and low-handicap golfer named Tom MacKenzie. He is romantically involved with his co-worker-counselor, Pat Thompson, as well as one of his graduating seniors, Amy Forrest, and he's not sure how he should handle the situation. Both Pat and Amy are good golfers, Pat about a twelve handicap and Amy a single-digit and getting better all the while. To further complicate things, Pat Thompson is also involved with Roger Burdis, a newly wealthy Floridian who has inherited money from an aunt and returned to Porter, Pennsylvania, to live. Roger Burdis is a borderline psychotic with an almost instant hatred for Tom, or Mac as all his friends call him. They encounter each other in several matches on the golf course, in a poker game in the club house, and in a variety of social situations, all leading up to one final confrontation on the golf course, but not for a golf match a middle-of-the-night match of wits with lives at stake. The plot includes several dashes of humor, a slice or two of sex, several layers of suspense, and enough golf to satisfy any club golfer in the country. And a conclusion as exciting as any Kentucky Derby photo finish.

Treat this game no different than a gunfight.

When you step up to the table, shoot like you have never shot before. Look for your opponents' weakness; leave nothing for them to shot. Keep your thought until you have won the game, stay focused, stay calm. Never secondguess yourself, ever. Walk around the table and pull your thoughts back; there are no shots too hard for you to make. Just shoot them. If your shots are not measuring up, get practicing golf on a six-by-twelve table. This stabilizes your stroke, sharpens your view to the ball, and teaches proper weight per roll. Also best table to practice masseacute; shots. Remember in this game, winning is everything. I believe this book has taken me to the top-dog position in my league because I had to write it to get my own game back to the level of

play I am at now. Just reviewing what I know has helped enormously. Don't take your game for granted, practice, challenge.

But now, as age and a debilitating condition begin to erode his skills, he ponders life without the game that has defined him for so long and the woman he loves who has mysteriously disappeared from his life. When the Braddock Road Club is chosen to host this year's United States Open, Rick's golfing hopes take a dramatic leap. If he ever had a shot at finally winning golf's most treasured prize, playing the course he knows so well might just be his last hurrah. The Circuit Rowan Ricardo Phillips 2018-11-20 Winner of the 2019 PEN/ESPN Award for Literary Sports Writing "The Circuit is the best sports book I've read in years, maybe ever." —Rich Cohen, author of *The Chicago Cubs and Monsters* "As sports writing goes, *The Circuit* is unusual in the

very best way. Rowan Ricardo Phillips writes with such fluidity, and packs the book with bursts of brilliance. This is a compulsively readable guide to one truly Homeric year of professional tennis."

—John Green, author of *The Fault in Our Stars* An energetic, lyrical, genre-defying account of the 2017 tennis season. In *The Circuit: A Tennis Odyssey*, the award-winning poet—and Paris Review sports columnist—Rowan Ricardo Phillips chronicles 2017 as seen through the unique prism of its pivotal, revelatory, and historic tennis season. The annual tennis schedule is a rarity in professional sports in that it encapsulates the calendar year. And like the year, it's divided into four seasons, each marked by a final tournament: the Grand Slams. Phillips charts the year from winter's Australian Open, where Roger Federer and Rafael Nadal renewed their rivalry in a match for the ages, to fall's U.S. Open. Along the way, Phillips paints a new, vibrant portrait of tennis, one that captures not only the emotions, nerves, and ruthless tactics of the point-by-point game but also the quicksilver movement of victory and defeat on the tour, placing that sense of upheaval within a broader cultural and social context. Tennis has long been thought of as an escapist spectacle: a bucolic, separate bauble of life. *The Circuit* will convince you that you don't leave the world behind as you watch tennis—you bring it with you.

International matches and WDF Cup

Tournaments Nigel Boeg 2020-01-23 This book has been compiled to provide details of tournament winners and runners up on International matches and WDF Cup tournaments.

Every effort has been used to identify winners and runners up of tournaments and in some cases there will be results "missing". If these can be identified they will be included in another edition of this book in the future. There maybe errors with names being misspelt and that ladies surnames may have changed. An enormous amount of time and effort to correctly record the results of the tournaments. This is the tenth ebook to be published detailing tournament results. I hope you enjoy the book.

The Game Jack London 2001-01-01 On the eve of their wedding, twenty-year-old Jack Fleming arranges a secret ringside seat for his sweetheart to view her only rival: the "game." Through Genevieve's apprehensive eyes, we watch the prizefight that pits her fair young lover, "the Pride of West Oakland," against the savage and brutish John Ponta and that reveals as much about her own nature, and Joe's, as it does about the force that drives the two men in their violent, fateful encounter. ø Responding to a review that took him to task for his realism, Jack London wrote, "I have had these experiences and it was out of these experiences, plus a fairly intimate knowledge of prize-fighting in general, that I wrote *The Game*." With this intimate realism, London took boxing out of the realm of disreputable topics and set it on a respectable literary course that extends from A. J. Liebling to Ernest Hemingway to Joyce Carol Oates. The familiarity of London's boxing writing testifies to its profound influence on later literary commentators on the sport, while the story *The Game* tells remains one of the most powerful and evocative portraits ever given of prizefighters in the grip of their passion.

Strokes and Strategies for Tennis H. C. Byler 2002-12-17 *The River and the Moon* is a tale of two people from two very different walks of life. Claudia Darren is a popular movie star, and Alvin Masters is a rural postman from Whitetail, Montana. Although worlds apart, they share a sense of inner turmoil and profound loneliness. Through an odd set of circumstances, they exchange letters and become fans of each other's lifestyles. He admires her stardom and wealth, and she admires his fierce independence. Claudia begins work on a big budget picture for Crescent

Studios, a financially ailing film company. Its unscrupulous head is a well-placed, thug named Ernie Katz. His role is to siphon all the money he can from Crescent and then sell it. To do this, he needs a big screen success to entice investors to purchase Crescent and assure a large profit for a New York syndicate which hired him. To provide a solid guarantee on the movie, he hires Claudia as the lead. Then as a further assurance, he engages a hit man named Oliver Templeton to become her boyfriend. Katz and Templeton hatch a plan to kill Claudia when the filming ends. The murder will appear as suicide, and her grieving public will flock to the box office with tears in their eyes to see her for the last time. Fortunately, Claudia becomes aware of the plot on the final day of filming and is able to escape Oliver Templeton with only moments to spare. For months, she crisscrosses the country on the run, while Templeton stays only steps behind her. After several near-fatal encounters, she ends up in Whitetail, Montana, where she at last meets Alvin Masters. Together they stage a last ditch attempt to save her life. They also discover a spiritual and romantic closeness which baffles even themselves.

Running the Table L. Jon Wertheim 2007 From a popular senior writer for *Sports Illustrated* comes this high-stakes, boys-on-the-road story about the most unlikely of phenoms--a heavysset, bipolar, and endlessly charming pool hustler named Kid Delicious In most sports the pinnacle is Wheaties-box notoriety. But in the world of pool, notoriety is the last thing a hustler desires. Such is the dilemma that faces one Danny Basavich, an affable, generously proportioned Jewish kid from Jersey, who flounders through high school until he discovers the one thing he excels at--the felt--and hits the road. *Running the Table* spins the outrageous tale of Kid Delicious and his studly--if less talented--set-up man, Bristol Bob. Never was there a more entertaining or mismatched pair of sidekicks, as together they go underground into the flavorfully seamy world of pool to learn the art of the hustle and experience the highs and lows of life on the road. Their four-year odyssey takes them from Podunk pool halls to slick urban billiard rooms across America, as they manage one night to take down as much as \$30,000, only to lose so

much the next night that they lack gas money to get home. With every stop, the action gets hotter, the calls get closer, and Delicious's prowess with a cue stick becomes known more and more widely. Ultimately, Delicious sheds his cover once and for all and becomes professional pool's biggest sensation since Minnesota Fats. In a book sure to appeal to fans of *Bringing Down the House* and *Positively Fifth Street*, Wertheim evokes a subculture full of nefarious but loveable characters and illuminates America's fascination with games and gambling. He also paints a lasting portrait of an insanely talented and magnetic hustler, who is literally larger than life.

A Golf Story Charles Price 2007-04 Soon after its original publication in 1986, "A Golf Story" was heralded as one of the classics of golf literature. It is a book that intertwines three immortal subjects--Bobby Jones, Augusta National, and the Masters Tournament--into one compelling narrative. These three stories are inextricably linked; together, they form a fascinating backdrop to an April drama that is unique in the annals of golf and that, like Jones himself, transcends sports. Using firsthand experiences with Augusta National and the Masters Tournament that date back to 1948, Charles Price spent three years weaving together this historic story and, in an unprecedented move, Augusta National opened its guarded archives for his research, thereby making this book the first authorized history of both the club and the tournament.

Indeed, he fell off several times on national TV and achieved immortality as the 'What happened next?' feature on BBC's *A Question of Sport*.
