The Herald in Late Medieval Europe Katie

Stevenson 2023-06-13 First full-length assessment of the role of the herald in medieval Europe.

The Jersey Peter Bills 2018-08-09 The phenomenal international number one bestseller with exclusive interviews with Richie McCaw, Steve Hansen, Beauden Barrett and Dan Carter, The Jersey is the definitive story behind the greatest sports team on the planet. 'Extremely well written. Compelling, accurate, insightful and brilliant in the way it captures the New Zealand way' - John Hart, former All Blacks coach. With a better winning record than any other sports team in history, they stand head and shoulders above their nearest rugby rivals. How did a country of just 4.8 million people conquer the world? Peter Bills, who has reported on international rugby for more than forty years, was given exclusive access to all the key figures in New Zealand rugby as he set out to understand the secrets behind the All Blacks success. Peter talked at length with ninety people, both in New Zealand and around the world, with intimate knowledge of what makes the All Blacks tick. The Jersey goes to the heart of the All Blacks success. It is also an epic story of not just a rugby team but a nation, whose identities are inextricably linked.

Read Reflect Respond 2 Elliot Quinley 2015-05-20

The CCSS emphasizes nonfiction as an essential component to any successful reading program. The reading selections in Read, Reflect, Respond introduce students to the framework of content-rich nonfiction. Students connect to the text, exploring their own experiences, opinions, and prior knowledge. They will quickly become familiar with the various kinds of responses required to the comprehension questions, including thinking critically about the material. This familiarity will alert them to important clues in the text reading material. They will learn to focus on the main idea, key vocabulary, and important facts. Each book contains 54 two-page content-rich nonfiction articles and comprehension questions, plus two "super lessons." Answer keys are in the back of each book.

**The Score Takes Care of Itself** Bill Walsh

2009-08-20 The last lecture on leadership by the NFL's greatest coach: Bill Walsh Bill Walsh is a towering figure in the history of the NFL. His

advanced leadership transformed the San Francisco 49ers from the worst franchise in sports to a legendary dynasty. In the process, he changed the way football is played. Prior to his death, Walsh granted a series of exclusive interviews to bestselling author Steve Jamison. These became his ultimate lecture on leadership. Additional insights and perspective are provided by Hall of Fame quarterback Joe Montana and others. Bill Walsh taught that the requirements of successful leadership are the same whether you run an NFL franchise, a fortune 500 company, or a hardware store with 12 employees. These final words of 'wisdom by Walsh' will inspire, inform, and enlighten leaders in all professions.

**Your Dreams Are Mine Now** Ravinder Singh  
2014-11-20 'It can't be love . . .' he thinks and immediately his heart protests. They are complete

opposites! She's a small town girl who takes admission in Delhi University (DU). An idealist, studies are her first priority. He's a Delhi guy, seriously into youth politics in the DU. He fights to make his way. Student union elections are his first priority. But then opposites attract as well! A scandal on campus brings them together, they begin to walk the same path and somewhere along, fall in love . . . But their fight against evil comes at a heavy price, which becomes the ultimate test of their lives. Against the backdrop of dominant campus politics, *Your Dreams Are Mine Now* is an innocent love story that is bound to evoke strong emotions in your heart.

**The Divine Nature of Basketball** Ed Breslin 2014-02-04 *The Divine Nature of Basketball: My Season Inside the Ivy League* describes a season spent as a virtual coach in the Ivy League. Shadowing head coach of Yale men's basketball James Jones and bird-dogging his team from first practice to final game, Ed Breslin fulfills every college basketball fan's fantasy of being an NCAA Division I coach. It's sports journalism in the tradition of George Plimpton. But above all, it's a celebration of basketball, of participation in life, of gifted mentors and coaches, and of the proper approach to collegiate athletics. And all this in the throwback Ivy League. Where lofty academic requirements merge with high athletic standards. Where every game is an intense and ancient rivalry. Where no league tournament renders the regular season meaningless. Where nearly all league games are played two-a-weekend. Where back-to-back games and five-hour bus trips make for weary legs and heartbreaking upsets. Where coaches have to be teachers and mentors first and foremost. Over the course of the season, Breslin comes to understand that it's coaches like James Jones, their priorities in order, who realize that lessons learned in sport are often enduringly important, and transferable to other areas of life. They know that the game of basketball, invented in a YMCA gym to vanquish winter blues and channel excess energy, is a divine template for teaching and mentoring. They know that mastery of a demanding skill in youth, and of one's self, often leads to mastery in adult life: in the arts, in the sciences, in the professions, and in business.

The author experienced all this, and more, firsthand. But the most important lesson he learned is that if you ever visit the Yale locker room, whatever else you do: "Don't step on the Y." Skyhorse Publishing, as well as our Sports Publishing imprint, are proud to publish a broad range of books for readers interested in sports—books about baseball, pro football, college football, pro and college basketball, hockey, or soccer, we have a book about your sport or your team. Whether you are a New York Yankees fan or hail from Red Sox nation; whether you are a die-hard Green Bay Packers or Dallas Cowboys fan; whether you root for the Kentucky Wildcats, Louisville Cardinals, UCLA Bruins, or Kansas Jayhawks; whether you route for the Boston Bruins, Toronto Maple Leafs, Montreal Canadiens, or Los Angeles Kings; we have a book for you. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

In this *Leaders Developing Leaders* parable, a young businessman is tasked with leading a team to solve his organization's greatest problem. As he learns to become the leader his team needs before it's too late, he discovers a singular necessity we must develop in our lives and discovers what it truly means to become a leader worth following. *The Inquisition* Taran Matharu 2016-05-10 A New York Times Bestseller! A Publishers Weekly Bestseller! A year has passed since the Tournament. Fletcher and Ignatius have been locked away in Pelt's dungeons, but now they must face trial at the hands of the Inquisition, a powerful institution controlled by those who would delight in Fletcher's downfall. The trial is haunted by ghosts from the past with shocking revelations

about Fletcher's origins, but he has little time to dwell on them; the graduating students of Vocans are to be sent deep into the orc jungles to complete a dangerous mission for the king and his council. If they fail, the orcish armies will rise to power beyond anything the Empire has ever seen. With loyal friends Othello and Sylva by his side, Fletcher must battle his way to the heart of Orcdom and save Hominum from destruction . . . or die trying, in this sequel to *The Novice* by Taran Matharu.

*Empire of Imagination* Michael Witwer 2015-10-06 The first comprehensive biography of geek and gaming culture's mythic icon, Gary Gygax, and the complete story behind his invention of *Dungeons & Dragons*. The life story of Gary Gygax, godfather of all fantasy adventure games, has been told only in bits and pieces. Michael Witwer has written a dynamic, dramatized biography of Gygax from his childhood in Lake Geneva, Wisconsin to his untimely death in 2008. Gygax's magnum opus, *Dungeons & Dragons*, would explode in popularity throughout the 1970s and '80s and irreversibly alter the world of gaming. D&D is the best-known, best-selling role-playing game of all time, and it boasts an elite class of alumni--Stephen Colbert, Robin Williams, and Vin Diesel all have spoken openly about their experience with the game as teenagers, and some

credit it as the workshop where their nascent imaginations were fostered. Gygax's involvement in the industry lasted long after his dramatic and involuntary departure from D&D's parent company, TSR, and his footprint can be seen in the role-playing genre he is largely responsible for creating. Through his unwavering commitment to the power of creativity, Gygax gave generations of gamers the tools to invent characters and entire worlds in their minds. Witwer has written an engaging chronicle of the life and legacy of this emperor of the imagination.

**Wolfram** Giles Milton 2011 Wolfram tells the story of Hitler's Germany through German eyes and how a young man's world was turned upside down by the megalomaniac ambitions of the Fuhrer. Born in 1924, Wolfram Aichele's entire childhood was lived under the shadow of Hitler. At first his family home on a hilltop village managed to escape the majority of the intense regime, but on his eighteenth birthday in 1942 Wolfram was conscripted to a war he did not believe in and sent to the Russian Front from where few returned. For Wolfram, who wanted nothing more than to be left alone with his studies, the war swept him and his family into some of the greatest events of the Second World War from the D Day landings to the firestorms of Allied bombings.

Faster Than The Speed Of Light Joao Magueijo 2011-12-31 The idea that the speed of light is a constant - at 186,000 miles per second - is one of the few scientific facts that almost everyone knows. That constant -  $c$  - also appears in the most famous of all scientific equations:  $e=mc^2$ . Yet over the last few years, a small group of highly reputable young physicists have suggested that the central dogma of modern physics may not be an absolute truth - light may have moved faster in the earlier life of the universe, it may still be moving at different speeds elsewhere today. In telling the story of this heresy, and its gradual journey towards acceptance, Joao Magueijo writes as one of the three central figures in the story, introducing the reader to modern cosmology, to the implications of VSL (variable speed of light) and to the world of physicists. The initial rejection of Magueijo's ideas is beginning to give way to a reluctant acceptance that the young men may have a point - only the next few years will tell the final fate of this 'dangerous' idea.

The Revolutionary War in the Hackensack Valley Adrian Coulter Leiby 1980 After November 1776, the Hackensack Valley--located in northeastern New Jersey and Rockland County, New York--lay between the invading British army in New York City and the main Continental defense forces in the Hudson Highlands. Jersey Dutch patriot and Tory troops carried on a five-year war of neighbors between the lines, while the grand armies of Britain and America maneuvered on either side of them for a chance to strike a blow at the other. Adrian Leiby offers an exciting narrative of the people of Dutch New Jersey and New York during this conflict. Historians will find colorful details about the Revolutionary War, and genealogists will find much previously unpublished material on hundreds of men and women of Dutch New Jersey and New York in the 1700s.
