Treat this game no different than a gunfight. When you step up to the table, shoot like you have never shot before. Look for your opponents' weakness; leave nothing for them to shot. Keep your thought until you have won the game, stay focused, stay calm. Never secondguess yourself, ever. Walk around the table and pull your thoughts back; there are no shots too hard for you to make. Just shoot them. If your shots are not measuring up, get practicing golf on a six-by-twelve table. This stabilizes your stroke, sharpens your view to the ball, and teaches proper weight per roll. Also best table to practice masseacute; shots. Remember in this game, winning is everything. I believe this book has taken me to the top-dog position in my league because I had to write it to get my own game back to the level of play I am at now. Just reviewing what I know has helped enormously. Don't take your game for granted, practice, challenge.

But now, as age and a debilitating condition begin to erode his skills, he ponders life without the game that has defined him for so long and the woman he loves who has mysteriously disappeared from his life. When the Braddock Road Club is chosen to host this year's United States Open, Rick's golfing hopes take a dramatic leap. energetic, lyrical, genre-defying account of the 2017 tennis season. In *The Circuit: A Tennis Odyssey*, the award-winning poet—and Paris Review sports columnist—Rowan Ricardo Phillips chronicles 2017 as seen through the unique prism of its pivotal, revelatory, and historic tennis season. The annual tennis schedule is a rarity in professional sports in that it encapsulates the calendar year. And like the year, it's divided into four seasons, each marked by a final tournament: the Grand Slams. Phillips charts the year from winter's Australian Open, where Roger Federer and Rafael Nadal renewed their rivalry in a match for the ages, to fall's U.S. Open. Along the way, Phillips paints a new, vibrant portrait of tennis, one that captures not only the emotions, nerves, and ruthless tactics of the point-by-point game but also the quicksilver movement of victory and defeat on the tour, placing that sense of upheaval within a broader cultural and social context. Tennis has long been thought of as an escapist spectacle: a bucolic, separate bauble of life. *The Circuit* will convince you that you don't leave the world behind as you watch tennis—you bring it with you.

He is a living historian and a source for all pool info. As an accomplished player himself, he evolved into every aspect of the sport. Julian Seaman first went to Badminton as an autograph-hunting fan in the 1960s. He later decided to become a competitor. In his first year, his horse became lame. Year two, he completed the dressage in a rainstorm in a coat made in his tailoring class at college. Third time he fell. Indeed, he fell off several times on national TV and achieved immortality as the 'What happened next?' feature on BBC's *A Question of Sport*.

[Match Play](#) Jerry Travis 2004-01-29 Have a quirky multi-millionaire build a quirky golf course in the hills of western Pennsylvania. Then mix in a variety of normal and not-so-normal folks to play golf on that course, and you have the setting for *Match Play*, a novel about bitter rivalries in golf and romance. Shallow Creek Country Club is a course with several deliberately odd designs by its owner and architect, a man who made enough money in ball-bearings during World War II to indulge his fantasies about a golf course that includes one large sand green in honor of his father's memory, a pipe through a fairway hillside for those who want to play a little putt-putt golf, a green with a huge maple in the middle, and an

underground cavern that was originally built as a bomb shelter but later turned into a cool stopping-off spot in the middle of a round. The cavern sits beneath one high hill overlooking most of the holes on the course and has a long tunnel leading back to the clubhouse. The story takes place in the late spring and summer of 1986 and is told from the point of view of a young English teacher and low-handicap golfer named Tom MacKenzie. He is romantically involved with his co-worker-counselor, Pat Thompson, as well as one of his graduating seniors, Amy Forrest, and he's not sure how he should handle the situation. Both Pat and Amy are good golfers, Pat about a twelve handicap and Amy a single-digit and getting better all the while. To further complicate things, Pat Thompson is also involved with Roger Burdis, a newly wealthy Floridian who has inherited money from an aunt and returned to Porter, Pennsylvania, to live. Roger Burdis is a borderline psychotic with an almost instant hatred for Tom, or Mac as all his friends call him. They encounter each other in several matches on the golf course, in a poker game in the club house, and in a variety of social situations, all leading up to one final confrontation on the golf course, but not for a golf match a middle-of-the-night match of wits with lives at stake. The plot includes several dashes of humor, a slice or two of sex, several layers of suspense, and enough golf to satisfy any club golfer in the country. And a conclusion as exciting as any Kentucky Derby photo finish.

Running the Table L. Jon Wertheim 2008-10-03 For fans of *Bringing Down the House* and *Positively Fifth*—a Sports Illustrated writer shares the story of a heavyset, bipolar, and charming pool hustler. In most sports the pinnacle is Wheaties-box notoriety. But in the world of pool, notoriety is the last thing a hustler desires. Such is the dilemma that faces one Danny Basavich, an affable, generously proportioned Jewish kid from Jersey, who flounders through high school until he discovers the one thing he excels at—the felt—and hits the road. *Running the Table* spins the outrageous tale of Kid Delicious and his studly—if less talented—set-up man, Bristol Bob. Never was there a more entertaining or mismatched pair of sidekicks, as together they go underground into the flavorfully seamy world of pool to learn the art of the hustle and experience the highs and lows of life on the road. Their four-year odyssey takes them from Podunk pool halls to slick urban billiard rooms across America, as they manage one night to take down as much as \$30,000, only to lose so much the next night that they lack gas money to get home. With every stop, the action gets hotter, the calls get closer, and Delicious's prowess with a cue stick becomes known more and more widely. Ultimately, Delicious sheds his cover once and for all and becomes professional pool's biggest sensation since Minnesota Fats. "A tremendously satisfying road story. What makes *Running the Table* so special is not the pool prowess of its protagonist but the unlikely bond between two wildly different young men who find each other through an exhilarating, often infuriating game."—Los Angeles Times
